

CSG ANNUAL STATE TRENDS AND LEADERSHIP FORUM  
OKLAHOMA CITY, OK  
MEETING MINUTES  
THE COMMITTEE ON SUGGESTED STATE LEGISLATION  
CO-CHAIR: SENATOR DON BALFOUR, GEORGIA  
CO-CHAIR: REP. CHRIS ROSS, PENNSYLVANIA  
VICE CHAIR: MR. JERRY BASSETT, DIRECTOR, ALABAMA LEGISLATIVE  
REFERENCE SERVICE  
NOVEMBER 12 AND 13, 2007

The CSG Committee on Suggested State Legislation met Monday, November 12 and Tuesday, November 13.

The SSL Committee reviewed two dockets at these meetings. The first docket contained legislation about energy. The other docket contained legislation about a variety of issues, including global warming, state alternatives to the federal REAL ID driver license, and MRSA Screening and Reporting.

The Committee will publish the energy legislation from the first docket in a special supplement to the regular 2008 SSL volume. The SSL Committee compiled this energy supplement as part of Governor Henry's 2007 Presidential Initiative for CSG.

There were 77 items on this special docket. The SSL Committee voted to include 28 items in the SSL supplement and rejected the remaining 49. CSG intends to publish the supplement online by March 2008.

The SSL Committee considered 93 bills at its November 13 meeting. The committee voted to include 43 bills in the 2008 SSL volume. It deferred 1 bill to a future SSL or task force meeting and it rejected the remaining 49 items.

The Committee presented a plaque to Louisiana Rep. Joe Toomy for his distinguished longtime service on the Committee and sent its best wishes as he completes his work in the Legislature.

The next meeting of the SSL Committee will take place in conjunction with The Council's spring 2008 meeting in Lexington, KY. April 2, 2008 is the deadline to submit legislation to CSG for that docket.
